

卷之四

The map illustrates a land parcel divided into several sub-parcels, each with a unique number and area. The parcels are defined by their boundaries, which are marked with points and connected by lines. The areas are given in square meters (m²). A specific area, labeled 3337, is highlighted in yellow. The map also includes a scale bar indicating 0, 10, and 20 meters, and a north arrow pointing towards the top right. The total area of the parcel is 305.25 m².
